FALL ART SHOW

"FOR THE BEAUTY OF THE EARTH"

OVERVIEW

The 1910 Gallery supports artists, engages our community, and offers unique cultural experiences. The Gallery displays a wide array of works, ranging from traditional paintings to sculpture and photography. We strive to inspire dialogue, foster new perspectives, and create connections between artists and the greater community. The fall 2025 exhibition highlights the beauty and wonder woven through all living things.

We invite you to join us in this celebration of art, nature, and community.
